

# EXECUTIVE UPDATE

AUGUST '24

HBADE Members,

I cannot believe it is already August. This year is flying by! It is my hope that HBADE members can soak up every last bit of summer before we move into a busy fall.

## RECENT HIGHLIGHTS

Your Government Relations team has barely had any time to rest. After legislative session ended, we jumped right into developing our legislative priorities for next year. You can read these, along with a report highlighting our recent legislative successes, on [hbade.org](http://hbade.org).

Throughout July we interviewed candidates for Delaware's next Governor and Lieutenant Governor. We took these opportunities to share our legislative priorities. It is our hope that the incoming administration will be willing to work with us to move these policies forward and position the First State as a beacon for challenging the current housing status quo.

## WHAT'S COMING UP

The results of this election cycle will have huge implications on Delaware's future, and we encourage all HBADE members to get involved. August 17 is the deadline to register to vote in the primary election on September 10.

Our membership drive continues until August 15! Recruit new HBADE members for a chance to win a complementary IBS 2025 registration and a \$500 travel stipend.

## UPCOMING EVENTS

- **Associates Council Mixer on September 12**
