HBADE Members,

I feel like I was just writing my September update last week! What a whirlwind the last month has been. I hope you're enjoying the remnants of our warm weather and I hope your favorite teams (both real and fantasy) are making you proud (unless you're a Cowboys fan).

RECENT HIGHLIGHTS

Delaware's Primary elections have set the stage for a huge shakeup in Delaware politics come November 6. Our Government Relations team is working steadfastly to ensure we have great working relationships and opportunities to present our legislative priorities with whomever assumes office at all levels of government. Stay tuned to see we have planned!

On October 2 we partnered with the Delaware Association of Realtors and the Delaware State Housing Authority to bring you the Delaware Real Estate Summit. The room was packed with stakeholders and elected officials for this all-day session focused on the past, present, and future of Delaware's real estate market.

WHAT'S COMING UP

The general election is on November 5, and you have until October 12 to register to vote. If you have any questions about registering to vote, please don't hesitate to contact our office.

We're bringing back the Builders' Ball on January 25! Please mark your calendars to join us and our special guest, NAHB 2nd Vice Chair Bill Owens.

UPCOMING EVENTS
