#### Labs & Diagnostics

All the necessary tests and lab works for comprehensive health assessments done conveniently through Vitalbe app.

#### Preventative Care

Comprehensive wellness checks, annuals, and preventive measures to maintain optimal health.

#### Chronic Conditions

From type 2 diabetes to hypertension, get personalized care support for many long-term health conditions.

### Why add Vitalbe Health to your benefit offering?

1

**\$0 Co-pays or Deductibles:** Reduce or eliminate your copays for doctors and certain medications. No more waiting weeks for an appointment or sitting in a waiting room

2

**Free coverage for dependents:** Share all these benefits with your household members. Employees can add dependents to Vitalbe Health plan at no extra cost.

3

**Exclusive Member Pricing:** For the Benefits Connection members, you can access Vitalbe Health at an exclusive discounted rate of just over \$1 a day.
